## COME TO OUR TEACHER INFORMATION EVENING

The Slough Partnership currently has excellent training opportunities for teaching, both in primary and secondary schools.

This evening is for anyone who is considering training to teach, including teaching assistants, career changers, qualified teachers looking to return to teaching, including teachers trained overseas, and those graduating in Summer 2016

If you are interested in finding out more about getting into primary/ secondary school teaching, come along to meet:

- Recent, locally trained newly qualified teachers,
- A range of specialist mentors from our partnership schools as well as from other local training partnerships
- University of Reading tutors

The evening will be mainly informal with some short presentations by our local NCTL representative.

School Direct Teacher Training for the Slough Partnership is provided in Slough Partnership schools, working together with the University of Reading. All courses lead to Qualified Teacher Status. You can also opt to do the PGCE course, which leads to 60 Masters credits. You may be eligible for a salaried place, or a bursary.

Come to our Teaching Information Evening to find out more.
